
Title: Dark Tidings

Author: The Dark Alliance

Greetings,
Tis good news to see
that things are going to
plan. I am most pleased
with your progress. Soon
all the shrines will be
damned! And to think it
only cost me a few piles
of gold to do so. You
are most worth the
venture. I write to you
to confirm that the next
shrine you attack is
indeed justice. I ask you
accomplish this swiftly as
you have the others.
Once all the shrines have
been contaminated you will
recieve the second part
of your payment as
promised.

Dark friends I also
have another task if you
are willing to accept such
a mission. There are
those that stand in my
way. I would like them
to be brought to me.
Alive if possible, though
if you must kill them
their body parts could be
of some use.

The price per person is
two-hundred and fifty
thousand gold, if ye bring
the three of them all
alive I will give you and
your people another
two-hundred and fifty
thousand. The names are
as follows.

1. Molly of H*G
2. Eldred Jonas of O|S
3. Isilmea Locke of Elf

I am sure you will find
my compensation adequate
for those poor souls.

Send word if you will
accept this task by the
normal means. Soon the
darkness will overcome
them. Once again I thank
you for your service.
Embrace the Darkness,
